

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

The moving picture theatres in Poultney have been closed on account of several cases of diphtheria in the town.

A horse belonging to Louis R. Niles of Poultney, valued at \$200, died Wednesday from overeating. Not being securely hitched and a large supply of grain being near at hand, it is estimated that the animal ate at least four bushels.

Miss Alice M. Barnes, teacher of languages in the Springfield high school for eight years, resigned to accept a position in the schools at Pittsfield, Mass., and upon her departure was given a \$20 gold piece and a dozen American Beauty roses by the scholars and teachers of the school which she was leaving.

Abner F. Lauson doing a machine repair and garage business in Burlington has filed a petition in bankruptcy, setting liabilities of \$1,612.24 and assets of \$575. Of the liabilities \$257.50 are secured by mortgage, \$150 claimed to be exempt and \$260 are scheduled as debts due on open accounts.

The Vermont Marble company has just declared its annual dividend to its employees. This year it is a five per cent dividend at the West Rutland store and four per cent at the Proctor and Fowler stores. The profit at West Rutland amounted to \$3,996 and there is \$301 left at the store to start the year's business after paying the dividend. The Proctor-Fowler profits were \$5,685, employees receiving all but \$446 which is retained as a credit balance.

To Show Vermont Scenes at Panama Exposition.

St. Albans, Feb. 2.—The Sprague-Hathaway Co. of Boston, the largest and oldest concern in New England making photographic enlargements, picture frames, doing photographic work, etc., has selected a set of negatives by E. H. Royce, proprietor of the book and stationery store in this city, from which to make colored enlargements to form part of its display at the Panama exposition. The negatives include St. Albans, northern Vermont, and Lake Champlain scenes.

Was Grouper of Ginseng.

Orrin Pier Shephardson, 78, for 46 years a resident of Brattleboro and well known as a grower of ginseng and an expert in law, died in his home there, Saturday afternoon at four o'clock, after an illness of four months with cancer of the stomach.

Mr. Shephardson was born in Green River village in the town of Guilford, Aug. 5, 1830, one of four children of James and Phyllis (Wilcox) Shephardson. He attended the public schools in the town and at an early age he learned the carriage maker's trade. For a time after going to Brattleboro he was employed in the Estey shops and later built a workshop on his property and engaged in carriage making, a business which he continued as long as his health permitted.

BEAUTIFUL BARRE AND EAST BARRE WOMEN

The Secret of Their Increasing Charm

It is really surprising that in such a short time there should be so marked an improvement in the appearance of so many Barre and East Barre ladies, but it is not surprising when the cause of this improvement is known. And there is no great mystery about it after all. Drop in "most any day" now at the Red Cross Pharmacy, or Frank Roark's, or S. C. Woodry & Co., Cabot, and you are likely to see one of the clerks wrapping up a box of the little tablets that do so much to improve the appearance of one's complexion. Bright eyes, a ruddy glow, and a complexion free from pimples, sallowness and moth spots, may be had by every woman who will take one or two of SEAEVER'S LAXATIVE TONIC TABLETS at bedtime. These tablets contain dandelion and other purely vegetable extracts that are known to have a selective action for skin affections, and being both a laxative and tonic they quicken the circulation, open the pores and encourage the action of the bowels, stimulate the liver, enrich the blood and at the same time cure biliousness, sick headache, and nervousness. Try them. They cost but 25c a box, and once used their merits cannot be concealed.—Adv.
